## Free Inquiry Project

I, \_\_\_\_\_, make a commitment to complete all requirements and meet all deadlines for my investigation about \_\_\_\_\_. I am allowed some creativity and freedom in the product I produce. My project will be both written and visual. I will be able to share with classmates my knowledge through my visual and oral presentation. I will keep all information related to this assignment in my folder throughout my investigating and project conclusion. I will try to be present for every day of this project.
