

THINKING

the Road to Success

Do I have a Topic that interests me?

What do I think I know?

What do I want to know?

What are the best resources to use?

Where do I need to go?

Who do I need to see?

What do I need to ask?

What will my presentation look like?

Who is my audience?

Did I ask for help when I needed it?

What did I learn about my Topic?

What did I learn about the research process?

What is my Search story?
