STRATEGY

1. Revise your questions based on the suggestions given to you by the teacher or media specialist.
2. Place those improved, researchable questions here.
3. Brainstorm keywords related to your question that will help you find answers to your Inquiry questions.

A **question** I want to answer:

Keywords related to that question:

Source or sources that I think would be best for finding the answer (you can refer to "Information: Tools of the Trade" bookmark to help you brainstorm) and **why** I think that source would be best
